Australian Qualifications Framework

The Australian Qualifications Framework (AQF) is a single national, comprehensive system of qualifications offered by higher education institutions (including universities), vocational education and training institutions and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of kno

Program fees

Commonwealth supported place
A Commonwealth supported place is where the Australian Government makes a contribution towards the cost of a students' higher education and students pay a student contribution amount, which varies depending on the courses undertaken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Commonwealth Supported students may be eligible to defer their fees through a Government loan called HECS-HELP.

Domestic full fee paying place
Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the Course Fee Finder.

Students studying on-campus or externally should ensure they have access to a computer that meets these minimum standards. Compliance with these recommendations will ensure students receive the computing help needed if experiencing problems.

USQ has a number of hardware and software agreements with suppliers that may result in various benefits being passed onto University staff, students and alumni when they purchase privately.

For some students the financial cost of purchasing computing equipment may be a barrier to studying with USQ. In view of this, the University provides the following assistance:

- Computer laboratories at the Toowoomba, and Springfield campuses which are available for student use.
- Scholarships and financial support in the form of financial assistance that may help cover study costs such as computer equipment.
